

EDITURI CU PRESTIGIU INTERNAȚIONAL

recunoscute de către Consiliul Național al Cercetării Științifice din România

În acest document sunt incluse editurile academice cu prestigiu internațional, relevante pentru domeniile științelor umaniste. Dimensiunea internațională a unei edituri academice este determinată de următorii factori *conjugați*:

- i. Editura publică preponderent volume academice în limbi de circulație internațională (engleză, franceză, germană, italiană, spaniolă, rusă);
- ii. Editura propune colecții academice internaționale de specialitate (cu bord științific, cu coordonator de serie etc.);
- iii. Cărțile sunt publicate în urma unei evaluări din partea unor specialiști internaționali;
- iv. Cărțile publicate sunt accesibile comunității academice internaționale (site propriu, Amazon, etc.).

Lista este ordonată alfabetic, după prima literă din numele editurii.

Ruta complementară:

Alături de cărțile apărute la cele 349 edituri recunoscute, CNCS se vor lua în considerare și

a) cărțile apărute în afara României și Republicii Moldova, disponibile în cel puțin 15 biblioteci din celelalte state membre ale Uniunii Europene sau din statele membre ale Organizației pentru Cooperare și Dezvoltare Economică, indexate în Karlsruhe Virtual Catalog KVK (http://www.ubka.uni-karlsruhe.de/kvk_en.html);

b) cărțile publicate la orice editură a unei universități aflate în top 500 ARWU.

A

1. Aarhus University Press (<http://www.unipress.dk>)
