

Articole publicate in reviste de specialitate recunoscute de catre CNCIS

1. **Maria Popescu**, „Experimental Research Regarding the Calculation of Well Sand Granularity” ,vol.LXVIII, Nr.2, 2016, in curs de publicare, Buletinul U.P.G., Seria Tehnica.
2. **Maria Popescu**, ”Experimental determinations regarding the way that spiral screw pumps stators behave when dealing with erosion wear”, Buletinul U.P.G., Seria Tehnica, vol.LXI-Nr.2, 2014, p.107-113.
3. **Maria Popescu**, ”The Construction, Manufacturing And Use of Moineau Pumps in the Romanian Oil Industry”, VOL.lxviii, Nr.3, 2016, in curs de publicare, Buletinul U.P.G., Seria Tehnica.

Lucrari care vor fi publicate in volumele unor conferinte internationale

1. **Maria Popescu, Aristia Ioana Popovici, Florin N.Petrescu, Nicolae Napoleon Antonescu** - „Analysis of progressive cavity pumps specific wear processes using Finnie models, Proceedings of ROTRIB”16 13th International Conference on Tribology, 22 sept-24 sept 2016, Galati, Romania.
2. **Aristia Ioana Popovici, Maria Popescu, Nicolae Napoleon Antonescu, Florin N.Petrescu** - „Analysis of progressive cavity pumps specific wear processes using Bitter and Hutchings models, Proceedings of ROTRIB”16 13th International Conference on Tribology, 22 sept-24 sept 2016, Galati, Romania.

09.09.2016

Popescu Maria
