

DOCTORAND. ING. AlGhuri Hussein Ali

LISTA DE LUCRĂRI

A. Lucrări publicate în reviste indexate în baze de date internaționale:

- 1. Mohamed Halafawi, Hussien El Gaburi, Lazăr Avram,:** "Offset-well data improve Zubair wellbore stability", Oil and Gas Journal, USA, 118(1), Jan. 6, 2020.
- 2. Hussien Al Gburi, Mohamed Halafawi, Hassan Al Gburi, Lazăr Avram,:** "Diagnostic and Performance Analysis of Drillstring Vibrations in Zubair Field," Romanian Journal of Petroleum and Gas Technology, 72(2), 2020, p. 23-35.
- 3. Sameer Younus, Hussein El Gburi, Mohamed Halafawi, Lazar Avram,"** A comparative Approach to Differentiate Between the Amount of Rock Cuttings Generated in ERD and Conventional Drilling," Petroleum and Coal 62(4):1346-1355, October 2020.
- 4. Al Gburi H, Halafawi M, Al Gburi Hasan and Avram L,** "Drilling Time Statistical Analysis and Benchmarking for Drilled Wells of Zubair Field," Petroleum and Petrochemical journal, 6(2): 000302, 2022.
- 5. Abdulmuttalib A. Muhsen, Bashar Hassan Attiya, AlGhuri Hussein,** " Theoretical Analysis of Different Fractal-Type Pipelines,"The 2nd International Conference for Engineering Sciences and Information Technology (ESIT 2022), At: University of Anbar, Iraq, Aug 17th – 18th 2022. January 2023
- 6. Hussien Al Gburi, Mohamed Halafawi, Lazăr Avram, D. Lazăr, S. Gal,** " Analyzing the Effects of Drillstring Speed on Bottom Hole Assembly Vibration in S-Shape Directional Wells: A Comprehensive Sensitivity Analysis," Petroleum and Petrochemical journal, 2023.
- 7. Hussein AlGhuri, Mohamed Halafawi, Lazar Avram,** "Simulation Study Regarding Drillstring Vibrations And Bottom Hole Assembly Mechanics Of Directional Wells in Zubair Field," EMERG, Volume, IX, Issue, 3, 2023, ISSN 2668-7003, ISSN-L 2457-5011. (In curs de publicare)
