

Lista de Lucrari

1. **Azam Ashouri** , Iulian Nistor, Optimization of Multi-Stage Separation Unit for Light and Heavy Crudes Oil of an Iranian Oil Field, Buletinul Universității Petrol-Gaze din Ploiești, 2021.
2. **Azam Ashouri** , Iulian Nistor, The H₂S Sensitivity Analysis Meet the Export Oil Specification for Light and Heavy Crudes Oil of an Iranian Oil Field. Buletinul universitatii Petrol- Gaze din Ploiești 2021.
3. **Azam Ashouri** , Iulian Nistor, Cauzele prezenței apei în țiței, Stabilitatea emulsiilor apă țiței, Referat 1 Teză de doctorat, Universitatea Petrol-Gaze din Ploiești, March 2018.
4. **Azam Ashouri** , Iulian Nistor, Metode de îndepărtare a apei și gazelor din țiței, Referat 2 Teză de doctorat, Universitatea Petrol-Gaze din Ploiești, October 2018.
5. **Azam Ashouri** , Iulian Nistor, Optimizarea procesului de separare a apei și gazelor din țiței. Studiu de caz pe un zăcământ din Iran, Referat 3 Teză de doctorat, Universitatea Petrol-Gaze din Ploiești, June. 2019.
6. **Azam Ashouri**, Taghizadeh, M. and Rostami Dehka, M., Kinetic modeling of the catalytic hydrogenation of rapeseed oils, 16th International Congress of Chemical and Process Engineering, Chisa 2004, Prague, Czech Republic, 22-26 August, 2004.
7. **Azam Ashouri**, Rostami Dehka, M. and Sajjadian, V.A., A New Scaling Equation to determine the effect of the temperature, molecular weight of n-alkane precipitants and solvent to oil ratio on asphaltene deposition for an Iranian Oil Reservoir, 11th Chemical Engineering Congress, Tarbiat Modares University, Dec., 2006, Tehran, Iran.
8. **Azam Ashouri**, Rostami Dehka, M., Sajjadian, V.A., Investigation of Temperature Effect on the Asphaltene Deposition for Two Iranian Oil Reservoirs, 1st Iranian Petroleum Engineering Congress, May, 2006.
9. **Azam Ashouri**, Mohammad Rostami Dehka, Mohammad Reza Naderi, Hamid Reza Mirza, "The Value of NDR and NDC as Tools for Petroleum Information Management", 1st Iranian Petroleum Engineering Congress, May, 2006.
10. **Azam Ashouri**, Frahad Malekzadegan, Designing of a distillation tower for separating of hexane solvent from micelle (rapeseed oils), B.Sc. Thesis, 2000.
11. **Azam Ashouri**, "Masjed Solaiman oil field (NIOC) Separation unit simulation report" 2007.
12. **Azam Ashouri**, "Azar oil field (NIOC), Master development plan", 2008.
13. **Azam Ashouri**, "Azar oil field (NIOC), Separation unit simulation report", 2008.
14. **Azam Ashouri**, "Azar oil field (NIOC) ,Oil and gas export pipeline simulation report" 2008.

15. **Azam Ashouri**, "Azadegan oil field (NIOC), Master development plan", 2009.
16. **Azam Ashouri**, "Azadegan oil field (NIOC), Separation unit simulation report "2009.
17. **Azam Ashouri**, "Yadavaran oil field, (NIOC), Separation unit simulation report" 2010.
18. **Azam Ashouri**, "NGL 1200 gas filed (NIOC), Separation unit simulation report" 2011.
